

CURRENT NEEDS FOR AMANI CHILDREN'S HOME

Thank you for wanting to donate items to help the Amani children. We always need basic food supplies: rice, beans, sugar, maize, cooking oil. You could make a donation towards food or go to the market to purchase it if you have the time.

Please note: We do not need pencils, crayons, coloring/activity books, games, clothing or shoes.

We ask that you do not ship any items to Amani as Customs procedures in Tanzania are slow and expensive, and packages do not always arrive.

Education:

* pens

*dry erase markers for white board (thick, NOT fine point)
