

Amani has an international network of registered charities called Friends of Amani (FOA). Through the FOAs donations are tax deductible in the US, Canada, the UK and Germany. The FOAs are voluntary organizations and **transfer 100% of the donations to Tanzania.**

To make a one time/monthly donation you can write a check and mail it to the FOA in your country, or do a direct transfer to the bank account. **Please, email us (at [info@amanikids.org](mailto:info@amanikids.org)) the details of your transaction so we can trace it back to you.** If you have any questions just send us an email, we will be happy to help!!

**The money that you donate helps make sure the Amani kids are happy and healthy!**

With your help, the street children and orphans who live at **Amani** can go to school, visit the doctor when they're sick, have clean clothes and shoes, and be surrounded by people who love and take care of them.

From the kids, staff, and teachers at Amani, **"Asante"**— thank you!
